

**STATE OF KANSAS
Tenth Judicial District
Steve Howe, District Attorney**

October 20, 2016

In recognition of Domestic Violence Awareness Month, District Attorney Steve Howe is proud to announce that the prosecutors in the Domestic Violence Unit, along with our partners at the Olathe Police Department and Safehome will be presenting on Teen Dating Violence at all four Olathe High Schools in the coming months. The 90 minute presentation focuses on the realities of dating violence in teenage relationships, addresses the risk factors involved, and gives prevention tips. Teen dating violence is a growing problem. It is our hope that this presentation will give teenagers the information and tools needed to avoid and stop unhealthy and dangerous relationships.
