**JOHNSON COUNTY DISTRICT ATTORNEY'S OFFICE NOW OFFERS AN ONLINE TRAFFIC
DIVERSION PROGRAM**

FOR IMMEDIATE MEDIA RELEASE

The Johnson County District Attorney's Office in conjunction with the Justice Information Management System (JIMS) is pleased to announce the development of an online traffic diversion program. This program provides the public an opportunity to apply for traffic diversion prior to their court date and without court appearance. Traffic diversion is an opportunity for individuals to pay a diversion fee/court costs and complete certain conditions to avoid having the ticket appear on their driver's record. Upon successful completion of the diversion period, the ticket is dismissed.

The public is encouraged to apply for online diversion at least two (2) weeks prior to their court date to ensure adequate time for processing.

This program is available for many tickets issued by the Johnson County Sheriff's Office and the Kansas Highway Patrol.
